Habitat for Humanity committee

Energy Education Aust are trying to establish a committee that will work with Habitat for Humanity to build low cost housing in the Murray Bridge area & give school students the opportunity to work on a building site doing various jobs involved in building a house. They built a house here one & a half years ago with students from Murray Bridge & Mannum being involved. They now want to establish a committee here before they proceed to build any more houses in Murray Bridge area. The ideal committee should include the following:

Retired builder
Member of local Govt
Local business person
Teacher to represent schools
Community Rep
Church Leader
Local Real Estate member
and any one who has a passion for helping disadvantaged people.

If you have any of these skills & are interested contact Peter Sawley 0419 804 475 Energy Education Aust or Bob Martin 0423 497 706.

PARENT WORD:

Psalm 23 for Hurried Parents

The Lord is my pacesetter, I shall not rush. He makes me stop and rest at intervals. He provides me with images of stillness to restore my serenity. He leads me in the way of efficiency to calmness of mind, and this guidance is peace. Even though I have a great many things to accomplish this day, I will not fret, for His presence is here. His timeliness, his all importance, will keep me in balance. He prepares refreshment and renewal in the midst of my activity, anointing my head with oils of tranquillity. My cup of joyous energy overflows. Surely harmony and effectiveness shall be the fruits of my hours, for I shall walk in the peace on my Lord and dwell in His heaven forever.
