### **Habitat for Humanity committee**

Energy Education Aust are trying to establish a committee that will work with Habitat for Humanity to build low cost housing in the Murray Bridge area & give school students the opportunity to work on a building site doing various jobs involved in building a house. They built a house here one & a half years ago with students from Murray Bridge & Mannum being involved. They now want to establish a committee here before they proceed to build any more houses in Murray Bridge area. The ideal committee should include the following:

Retired builder

Member of local Govt

Local business person

Teacher to represent schools

Community Rep

Church Leader

Local Real Estate member

and any one who has a passion for helping disadvantaged people.

If you have any of these skills & are interested contact Peter Sawley 0419 804 475 Energy Education Aust or Bob Martin 0423 497 706.

### A BIG THANKYOU

What a great Mystery Dinner we had in the JDH Thursday week ago.

Special thanks to Coralie, Heather and Sandi for doing such a great job in organising everyone and for all the little and big things to make the evening such a great experience for all.

Thanks to Klaus and Jim who washed and dried at least a thousand dishes and to Sarah and Trish and Adrian who made sure everyone received something to eat even if many thought surely they did not order THAT.

Special thanks to Adrian for keeping us all on our toes and to Ivan and Peter who provided entertainment.

And last but not least to those who joined in the fun and made the most of the Mystery—thank you for all for your laughter.

**How will you face winter? –**  
**Help us to stock up on much needed items**  
**this winter**

We need your support to help give out much needed warm clothes, blankets and food for people sleeping rough or doing it tough in the cold. Through your gift we can show God's love to parents trying to cope, to people from refugee backgrounds struggling to make a better life and to individuals who are homeless or at risk of becoming homeless.

See the insert in the June edition of Together, visit the LCC website at [www.lccare.org.au](http://www.lccare.org.au) or contact LCC at 08 8269 9333 to help someone going without this winter.
