Myanmar Mission Update

In mid March 2014 the Kluge's arrived in Myanmar and spent the first few days with Pastor James San Aung, Myanmar Lutheran Church. Pastor James was in good spirits and making a good recovery from surgery to remove a cancerous growth from his face. He would like to thank the members of Christchurch for their generous support to help pay for his medical costs and most of all for their prayers. James has made a miraculous recovery with no real scar tissue inside his mouth which the doctor's were amazed at. When we left in early April Pastor James was continuing to get stronger. In a recent email in early June James told us that he was back to work full time in his role as Mission Director which includes running the Lutheran Bible Teaching Institute.

Habitat for Humanity committee

Energy Education Aust are trying to establish a committee that will work with Habitat for Humanity to build low cost housing in the Murray Bridge area & give school students the opportunity to work on a building site doing various jobs involved in building a house. They built a house here one & a half years ago with students from Murray Bridge & Mannum being involved. They now want to establish a committee here before they proceed to build any more houses in Murray Bridge area.

The ideal committee should include the following:

Retired builder

Member of local Govt

Local business person

Teacher to represent schools

Community Rep

Church Leader

Local Real Estate member

and any one who has a passion for helping disadvantaged people.

If you have any of these skills & are interested contact Peter Sawley 0419 804 475 Energy Education Aust or Bob Martin 0423 497 706.

COME AND PLAY WITH CHILDREN AND MAKE CRAFTY STUFF!
No previous experience necessary just a love for families. Heather and Jim are away on holidays from end of July to early September.

On Wednesday mornings, especially on the 6th August, 20th August, 3rd September **Playgroup at Concordia Kindy** needs a helper or two to assist with toddlers and talking to Mums and Grannies and help pack up at the end of the session at 11am. I guess it would mean being there at 8:30 to make sure the toys are out and then from 11am packing up and cleaning up. Great opportunity to see what a wonderful place Concordia Kindy is.

Let Heather or Lynette know if you can help on any of those days.
