Myanmar News – Opportunity to Sponsor A Child

When we visited Myanmar in March this year Dianne and I saw the children at Immanuel Children’s Home, Yangon. There have been some new children received in to care at the home. Asia Focus supports each child through sponsorship and general donations. An opportunity is available to sponsor a child at the home for \$55 per month. In this way there is a chance to be involved in a personal way in mission work in Myanmar. We commend this for your prayerful consideration.
