UNITS AVAILABLE

Lutheran Villages Owl Drive and Murray Heights have units available now.

At negotiable prices and rates of upgrade they are well worth consideration of life-style change.

On behalf of **Bridge Kidz** I would like to thank everyone for their prayers and support over the last few years towards the Bridge Kidz program.

The program has been a great success, with many children growing in their knowledge of God's word, and then been able to go home and share what they have learnt with their families.

As you know, programmes like this cannot run without the committed work of volunteers. As most of our volunteers are also committed to work and other projects, we are finding it hard to increase our responsibilities to fill vacant roles as of last year.

Due to this, we have decided to put Bridge Kidz into recess for term 1 2014.

Unless we have some very committed persons from the Lutheran community to come onboard and help with the major running of the program, we regrettably will be closing the Bridge Kidz program.

We have discussed some other ministry opportunities for children, or ways to support programs already running like Messy Church, if this was to happen.

Please keep the Bridge Kidz program, and all the families involved in your prayers.

Please fill free to email me any thoughts/ concerns by 10th February, as we will be holding a meeting shortly after that to make any final decisions.

God Bless

Annette Thomson
