Sing, sign and art from one end of the Bible to the other with this vibrant method of connecting children's education, worship and the home. Bible Song engages the whole body as a learning tool using cartoons, art, Scripture in song and sign language. Create it in church and bring the Scriptures home seven nights a week. In the end, 120 verses (at least one from every book in the Bible) will be highlighted in children's Bibles and committed to memory.
