# FOUR KEYS

## for the Home

### 1. Faith Talk

Discuss in your household or small group:

- What is one way you have grown over the past year? What has caused or helped you to grow?
- Jesus talked about the kingdom of God growing from a tiny seed into a large plant (Mark 4:30-32). What do you think he meant?
- How have you been growing as a child of God? In what ways would you like to grow more?

### 2. Devotional Practices

Collect some green paper or card and cut it into leaf shapes. Also set up a leafless branch or a stick in a pot or vase as a centerpiece for your home altar area or meal table. During your home devotion times this week share ways in which you have seen God the King at work in the world around you. For each sign of God's kingdom activity, attach a leaf to the branch or stick. Praise and thank God for all his blessings.

### 3. service

Plan to surprise your neighbours with gifts of potted plants at Christmas time. Work together to purchase plants or seedlings, soil and pots. Take turns caring for the plants so that they grow strong and healthy over the coming months.

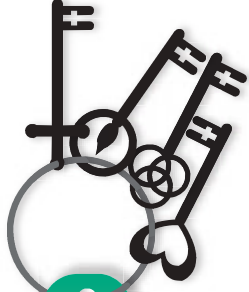

### 4. Rituals and Traditions

As a household activity, visit a plant nursery, botanic garden or conservatory. Talk about the differences you see between the plants on display, and what is needed to help them grow.
