Things were created to be used.
The reason why the world is in chaos

PASTORS CONFERENCE

For the first time in LCA history, General Pastors Conference has been held several months before General Convention of Synod. The ordination question is considered so important that church leaders wanted pastors to have opportunity to properly explore the proposals coming to Convention, and to give Synod ample time to consider their theological advice. General Synod will meet in convention from 29 September to 4 October. Read the story on your LCA website www.lca.org.au

CONCORDIA KINDY BIBLES

The account for the purchase of the bibles to be given to Concordia Kindy students has been received by Christ Church. It is planned this year to present the bibles at the start of term 3 to the 105 children attending the Kindy, to encourage the use during 'Jesus Time' sessions for the remainder of the year.

To date, Congregation members have kindly donated \$427.50 with a further \$645.40 needed to cover the total cost of \$1072.90. If you feel moved to contribute to this mission outreach, please place your donation in a marked envelope 'Kindy Bibles' on the offering plate, or pass on to the Church Office, Heather Courtney or the treasurer, Val Jaensch (approx. cost of each bible is \$11.00).

Bibles will be marked as presented by 'Christ Church Lutheran Congregation' or the individual member's name/s, if noted when the donation was received. Thank you for your support to keep God's Love alive in the lives of these young children and their families.
