## PRAYER:

- ✠ Loving God today we remember the veil of darkness transforming to the brightest light. The most dreadful end becoming the most beautiful beginning. We remember with trembling hearts the depths of despair fading to reveal hope everlasting. The curse of death defeated by eternal life.
- ✠ Today we remember with thankfulness your willingness to be pierced for our sins. We sing with abounding joy of your miraculous rise, from death's tomb to resplendent life. Thank you for the promise of heaven and your generous invitation of eternal life for all. Amen
