A special Mother's Day – what goes around comes around.

When baby Jesus was born his mother Mary was his primary caregiver. On the cross Jesus sees the helplessness of his mother. What a traumatic scene, a mother watches her son being crucified. From the cross Jesus calls to his best friend and with divine simplicity says, *'Woman, behold, your son!'* Then he said to the disciple, *'Behold, your mother!'* And from that hour the disciple took her to his own home" DJK

PRAYER:

Please pray for Pastor David and Pastor Paul and all who work in our churches. We thank them for the things they do especially so many little things that happen so we can come together and worship each week.

We pray for all Mothers today and we think of Mary, the mother of Jesus who was especially chosen. Bless our mothers and grant them patience, wisdom, strength and joy so that they may care for and love the children you have given to them and placed in their care. Bless also too the mother figures in our lives and thank them for the role they play.

*God Bless
All the Mothers*
