Welcome to all worshipping with us today

My first job was as an apprentice baker. I made bread, I still love making bread.

When you make bread the moment the yeast, flour, and water mix you have created new life. From that time on the dough becomes a moving, breathing, rising living thing.

Baking bread suspends the life in the bread. The moment the bread is eaten it begins to give its life and sustenance to the eater. Today Jesus explains that the moment we eat the bread of life, he gives us his life and sustenance.

For us, sacramental Christians, we firmly believe that when we eat the Bread of Life, we actually eat Jesus body (more on this next week). We receive his life and blessings, and we unite with him. And the people of Galilee said, "from now on we want this bread" DJK

Holy Spirit, work deep inside us so that we learn to know and love the life-giving bread you give us. Amen.

Fun Fact: Jesus was born in Bethlehem. The name Bethlehem is made from two Hebrew words: *Beth* = House & *Lechem* = Bread, the House of Bread. The Bread of Life was born in the house of bread.

All Welcome – come along to events organised by the MVLC and form a close relationship with fellow members.

Pray for James & Joyce Stiller as they move into care at Resthaven and begin a new phase in their lives.

Pray for our Pastors as they lead us in Bible study sessions on the "Way Forward" over the next two weeks. Be with our Synod Rep: Tanya Hanckel and all MVLC members as we look at what the future of the LCA may be.
