

## **A LOVE STORY WITH A DIFFERENCE.**

One thing I learnt working with the God of Good News(The one in the Bible) in places like Coober Pedy, Alice Springs, Yalata Aboriginal Community, is that generally people are not interested in fancy religious talk and words that are hard to understand.

These posts and photos are an attempt (with God's leading) to help and encourage you to develop a real friendship with this God and experience His special love. I might just add, that from my experience He's more interested in where your life is going (preferably with Him) than where it's been. You might have ignored Him, but thankfully, He doesn't hold grudges.

This God cannot be put in a box and taken out for "Sunday" or "Bible Study" or "Praying Time". He's a 24/7 Person.

I hope and pray that these "posts" will help you learn to see, and recognise His love is all around. Experience how his love is a love of action – even in the small and seemingly insignificant.

Just open your eyes and mind and heart. Who knows what you might learn; what might happen.

God bless,

Kevin
