

LOVE AS A CHILD

Love as a child,
 a faith so sincere.
When does it change,
 when you appear.
Strength from above,
 moves me to tears.
Earthly to love,
 I get lost in my fear.
When you look down,
 I hide from your face.
Where can I find,
 I look for the place.
This world cannot tell,
 I run my best race.
With all of my might,
 to increase the pace.
My might's not enough,
 it never could be.
To find the right time,
 I only need thee.
This world gives a gift,
 for you and for me.
Love as a child,
 the answer I see.
